

PBI SOLUTIONS

PROJECT & BUSINESS CONSULTING
CAPABILITY STATEMENT
PRECISION CNC MACHINING & METAL FABRICATION

Precision CNC Machining & Metal Fabrication • Rapid Prototyping • Small-Batch & High-Volume Production • Surface Finishing • Assembly & Secondary Services

COMPANY OVERVIEW

Precision CNC machining and contract manufacturing for mission-critical industries.

PBI Solutions delivers custom CNC machining, manufacturing, surface finishing, assembly, and secondary services through a network of highly skilled machine shops — **ISO 9001:2015 and AS9100D certified and ITAR-registered** — handling any custom design, simple or complex, from rapid prototyping and small-batch runs to high-volume production.

ALUMINUM COPPER BRASS STEEL
STAINLESS STEEL TITANIUM

CORE COMPETENCIES

- Custom CNC machining — simple to complex designs
- Rapid prototyping & small-batch machining
- High-volume production runs
- Precision sheet metal fabrication
- Metal stamping
- Metal casting
- Surface finishing, assembly & secondary services
- Engineering design & business analysis
- Quality controls guaranteed by certifications
- Project controls integrated into all purchase orders

PLASTIC MATERIALS

PEEK NYLON
TEFLON
CORE MATERIAL
CARBON FIBER
ACRYLIC PLEXIGLAS
POLYETHYLENE PVC

Rapid prototypes & production parts in engineered plastics.

INDUSTRIES SERVED

- Aerospace & Defense (AS9100D / ITAR)
- Oil & Gas
- Energy & Renewables
- Chemicals
- Industrial Manufacturing
- Construction & Infrastructure

U.S. & Latin America — trusted partner for mission-critical projects.

COMPANY DATA

Company	PBI Solutions, LLC
Experience	20+ years combined — U.S., LATAM & beyond
Headquarters	19305 Fenwick Crest, San Antonio, TX 78258
Consulting	+1 (210) 793-2292
Manufacturing	+1 (239) 677-8342
Email	info@pbisol.com
Web	www.pbisol.com
LinkedIn	linkedin.com/company/pbi-solutions-llc

CERTIFICATIONS & QUALITY

ISO 9001:2015 AS9100D ITAR-REGISTERED PMP
CSP CMC LEAN SIX SIGMA BLACK BELT

Quality controls guaranteed with certifications — zero safety incidents, deadlines first.

NAICS CODES

332710 — Machine Shops
332999 — Misc. Fabricated Metal Product Mfg.
333998 — Misc. General Purpose Machinery Mfg.
541330 — Engineering Services
541611 — Management Consulting Services

DIFFERENTIATORS

- Cost-effective model — consultants as associates, not staff
- Certified (ISO 9001:2015, AS9100D) & ITAR-registered shops
- On-time delivery — deadlines are our priority
- Fast response to requisitions & personalized service
- Extensive U.S.–LATAM network of clients & suppliers
- Consultants from Accenture, Kroger, BP, Marathon, Occidental

WHY PBI SOLUTIONS

- **RAPID QUOTE RESPONSE**
Fast response to quote requests and requisitions — sharp pricing, no waiting.
- **DELIVERY TIME IS OUR PRIORITY**
Deadlines and on-time delivery lead every project — we keep our commitments and ship on schedule.
- **QUALITY WITH FULL-PROCESS REPORTING**
Certified QC (ISO 9001:2015, AS9100D) with project controls and reporting integrated into every purchase order — full visibility from quote to delivery.

We are the solution to drive your company forward.
